6. MAIN MILITARY OPERATIONS

South America and Arab Countries Summit, held in Brasilia in 2005.

At the time, I commanded the Special Operations Teams of the Brazilian Navy, especially for the safety of the authorities.

Visit of Hon. Secretary of the US Navy, Mr. Thomas Opel, and Delegation, to Brasilia on January 18, 2011.

I commanded the Secretary's Personal Security Team and his Delegation.

(From 2009 to 2011, I commanded the Personal Security Team of all foreign authorities who participated in the events organized by the Navy in the city of Brasilia)

Training conducted by GRUMEC with the US NAVY SEALS in 2013 and 2014.

I commanded the GRUMEC in this period.

(I commanded the GRUMEC in various undercover operations, which cannot be disclosed).

FIFA World Cup in 2014.

As GRUMEC's Commander and General Staff Officer of the Coordination Centre for the Prevention and Combating of Terrorism, based at the headquarters of the Brazilian Army, in Brasilia, I followed all relevant facts related to the security of the event.

Olympic Games in 2016.

As Chief of Staff of the Joint Operations Chief, I accompanied the security planning of the event, and contributed to the intermediation between the Governments of Brazil, represented by the Defense Ministry, and the USA, represented by US-SOCOM (Special Operations Command of United States of America), for joint training Special Operations carried out in Brazil prior to this event.
